Thank you to everyone that helped with our Christmas Fairs

This year Animal Care had two Christmas Fairs in Torrisholme and Morecambe. We made about £2,000 from both fairs which is a great amount of money.

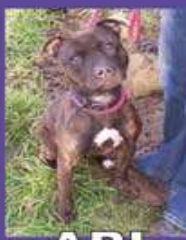

We would like to thank everyone that came and supported us on the day. Also all the volunteers who give up their time to come and help run stalls. A big thank you to everyone!

Thank You Everyone

Could you help your local charity by becoming a member!

Its simple and easy and by becoming a member you can provide an invaluable service because it give us a secure financial base for our work.

We always need people to help in many ways and one is to become a member as the

charity cannot run without members.

It only costs £10 a year and every penny will go towards helping the animals.

If you feel you would like to help us in this way please email us at

admin@animalcare-lancaster.co.uk

and we will send you a form or drop into the sanctuary and pick one up.

Thank you from all the animals.

All our food collection boxes in ASDA, Morrisons, Tesco, Sainsbury's now have information on them regarding all the animals that have come into the sanctuary waiting to be rehomed.

Please take a look and encourage your friends to have a look too.

We need your help?

Animal Care is currently looking for volunteers to carry out home checks for dogs and cats in the Morecambe and Heysham areas.

Home checking is just going out to prospective owner's homes and

checking they are suitable for the animal.

We also need people to help at fundraising events. If you are able to help please email:

admin@animalcare-lancaster.co.uk

Good news for Alison and Ella the blind cats!

Alison and Ella were two lovely cats who were partially blind.

They had sadly been at Animal Care for quite a few months as they couldn't see that well and they missed their litter tray now and again.

They were both lovely,

friendly girls, Alison is 6 and a half years old and Ella is only 3 years old.

In January both cats were rehomed to a lovely home, where they will get all the love and attention they deserve.

All the staff and volunteers

loved these two girls and are very happy they have finally found their forever home.

Hedgehog Heaven!

We currently have 7 hedgehogs here at Animal Care in our Wildlife Area.

Not only are we caring for so many but they are all living together in a little group.

It is lovely to see all the

hedgehogs living together in such peace as they all came in at different times of the year.

They are all due to be released as soon as the weather improves. Who knows they might even stay together once they have

been released and start their own little families.

Can anyone help?

We currently have one ferret called Mummy which has been at Animal Care since March 2010.

She does need a bit of handling as she can nip sometimes but would come round with time and lots of love.

If you think you can give a loving home to her please email rehoming@animalcare-lancaster.co.uk or telephone 01524 65495 any day between 10am to 3pm.

Thank you for your support!
