BEST EVER OPEN DAY FOR ANIMAL CARE!

This year Animal Care had one of its best Open Days and raised £1,731.50. It was held on 23rd May 2010 and we had lots of different stalls, a dog show and many other activities to get involved in.

We would like to thank everyone who was involved and all the volunteers that gave up their time to come and help.

Thank You Everyone

Helping more Battery Hens

We have now started planning for a new hen house so we can help more ex battery hens.

One of our long term volunteers kindly donated some money so we can build another hen house and take in more hens.

We then plan to care for the hens until they are fit and healthy and then rehome them.

Hopefully we will be able to help a lot more hens

Wildlife Centres Official Opening!

Animal Care officially opened the gates to its brand new wildlife area on the 24th April. We invited Don Holroyd who was the guest of honour to cut the ribbon. Don was amazed by the area and is looking forward to working alongside us. Also present was the Lancaster Guardian photographer and many volunteers.

Di and Abi say
'We are very excited about the wildlife area, it has only been running a few months and we have seen a lot of different wildlife. The feeling we get when we set the wildlife free is very rewarding.'

If you find a sick or injured wild animal please call

Animal Care on

01524 65495 or

we will be happy to give advice day or night.

News from our Long Term Doggies!

Good news on some of our long term dogs. As we have homed Beauty, News and Harry.

Harry had been at Animal Care since February 2009, Beauty since November 2009 and News since February 2010.

Unfortunately we still have Troy, Jed, Joey, Kiri, Gypsy and Tennessee.

Helping more Doggies!

We have always tried to help other dog kennels and rescue centres in the past. More recently we have been working with Elswick Kennels and a rescue centre called Homeless Hounds.

We will try and help them by taking dogs in when they

are full and also giving them any extra food we get.

A few weeks ago we took in some lovely dogs from them, Jaffa, Buster, Lance & Ben. To see them please click on our website.

Sponsored Dog Walk and Dog Show

On Sunday 5th September Animal Care is having its yearly sponsored dog walk and dog show which is sponsored by Lune Valley Dog Club.

You can pick up a sponsor form from the sanctuary and do the sponsored dog walk around Williamson Park to raise money for Animal Care.

You can also enter your dog in the fun dog show which also takes place at Williamson Park.

Are you or do you know anyone famous that would like to judge the dog show on the day? If you do please ring Faye on 01524 65495 between 10am to 3pm.

Can you help in our Charity Shop?

Would you or anyone you know be able to spare some time to help us in our charity shop?

Our shop is short staffed and we really need some help with sorting stock or working on the till.

The shop is at 40 Claremont Road, Morecambe and you don't need to have experience as we will provide training.

If you can spare us any time at all we would be very grateful as our charity shop provides us with much needed income.

If you feel you can help please ring Faye or Linda on 01524 65495 any day between 10am to 3pm

Help the Hedgehogs

Now the Wildlife Area is up and running we are seeing an increase in the number of hedgehogs coming through the door.

We get all kinds of ages from tiny babies to older adults. Many of them come in injured or orphaned and,

at the moment, we have one that only has three legs.

Can you help us by donating cat food to us (nothing fish based)? If you can we would be very grateful, you can drop it in at the sanctuary or in one of our bins at most supermarkets.

Happy Ending for Dudley

This is Dudley, he came to us in March 2010.

Dudley arrived with horrific injuries to his face and body. Dudley had a number of deep cuts and bites over his face and body. Sadly Dudley also had a broken jaw which needed emergency vet attention.

After a good few weeks of medication and lots of love Dudley slowly started to improve. His scars have now healed and his jaw is fixed.

The best news is that Dudley has now found a happy home where he gets all the love and attention he deserves. Dudley even won first place on the Open Day dog show in the waggiest tail class.

Cat Appeal

Can you help?

At the moment Animal Care has 44 cats in the Cattery. They are ranging in ages from kittens to over 10 years old.

We have had a large amount of cats and kittens brought into us in the last couple of months and our cattery is over flowing.

We have some really lovely cats and they are all in need of great new homes.

**Don't forget this month is
Microchip Month only £7.50 here**

**DO YOU HAVE
ANY WOOL?**

DO YOU HAVE ANY WOOL YOU

THE SANCTUARY ANY TIME
BETWEEN 10AM TO 3PM
