Sort Out Snoopy

Snoopy is the most gorgeous 11 month old Boxer cross puppy who needs your support. Since being handed over to Animal Care he has stolen the hearts of everyone who has met him.

Snoopy has problems with both of his hips and although he is in pain most of the time, you would never know it as he is so full of puppy energy and fun. Snoopy isn't old enough to have this sorted just yet, but when he is 12 months old, he will need to have major operation to correct the deformity and get rid of his pain.

This operation is going to cost several thousand pounds and we are hoping to raise the money to fund this and get Snoopy back to a pain and carefree life as soon as possible.

Oldies Appeal

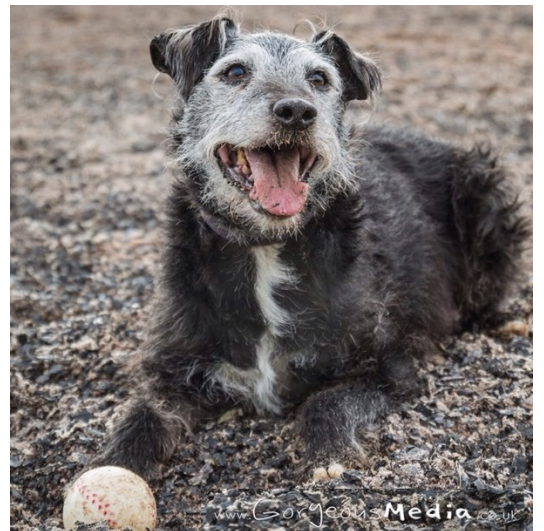

About Allister...

Terrier Crossbreed, Male, 10 years 1 month old. Handsome old man Allister has come to us via the pound. He has a few health issues which we are helping him with but he is still full of love and energy. Allister is looking for a new with people who won't leave him on his own for too long as he gets very stressed. Allister just needs love and understanding.

About Bob...

Terrier Crossbreed, Male, 10 years old. Bob is an older guy looking for a new home with people who can love him and give him lots of TLC. Bob has been with us before after he was handed in as a stray, after a long wait he found a new home with a wonderful family. Sadly Bob was returned to us due to the family feeling Bob could not be trusted round the children. We are now looking for a new home for Bob with no children under the age of 15 years and as the only animal. Bob is a wonderful boy and just needs a nice chilled out retirement home.

About Lily...

Lab x Collie, Female, 10 years 1 month old. Poor old Lily is feeling a bit sad and confused at the moment. She is looking for a new family that will love her forever. Lily has come from the dog pound so we don't have much history on her but she will make a wonderful companion to an older person who is looking for a new best friend. Lily has a few lumps and bumps on her which due to old age we feel are best left alone. She can also be a bit wobbly on her feet. She is very good with other dogs and would be fine to live with another dog. Lily is hoping for a special someone to take her home.

About Meg...

Lurcher cross, Female, 14 years 6 months old
 Poor Meg is a older girl hoping for a new home soon. Kennels is no place for a dog at this age and she is very upset about being here. Meg is currently sharing a kennel with old boy Allister. Both oldies are desperate for a warm happy home.

About Twinkle & Molly ...

DSH, Females, 10 years old

Sadly the owner passed away meaning both sisters need a new home. They are very friendly and love to be fussed. We are looking for a new home where they can stay together as they are a very bonded pair. We have been told that they should be fine with children but we are unsure what they would be like with cats or dogs. Please don't be put off by the girls age they really are a wonderful pair who just need a family to love them.

About Hopkins & Kylie

Domestic Rabbits, Females, 6 years 1 month old
 Hopkins and Kylie have been at Animal Care for nearly 3 years and are desperate to find a new home. They are 6 years old and they are sisters and need to find a new home together. Please help us give these 2 bunnies the home they need. If you can help please come and talk to us.

All we need is time and love to come round and we will be fantastic pets. Please give us a chance we are bored and fed up.

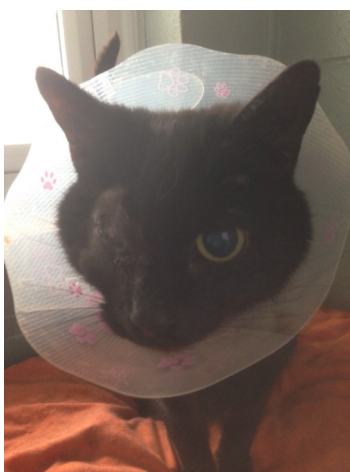

Kittens in need of care!

Three little 6 week old kittens dumped in a box down an alley. Luckily the RSPCA were called in time to collect them and bring them to us. They are very sick and are down at our vets on drips and we have every crossed for them to make it. We are desperate for fosters who have had experience in looking after sick or orphaned kittens. If you feel you can help please email abi@animalcare-lancaster.co.uk or phone 01524 65495 any day between 10am to 3pm.

Max needs a special home!

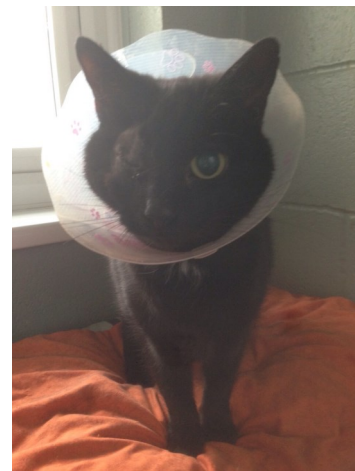

About Max...

DSH , Male , 10 years 3 months old

Max was handed into us as a stray in the Preston area. Max has been looked after and fed by a kind lady since January but he does not get on very well with her existing male cat..We don't know how long Max has been a stray for but he does have a few war wounds and came into us with a very badly damaged eye. The lady who has been looking after him felt he would be better in his new home as an only cat and with older children.

Unfortunately his eye has become very sore and inflamed and has had to be removed. Max is also on the older side and will now need to be an indoor cat as only having one eye will make him unable to see oncoming traffic and danger. Max is a lovely cat and is much happier now he is not in pain anymore. All he needs now is a nice retirement home where he can curl up in front of the fire. If you can give Max the home he needs please pop in or call 01524 65495 any day between 10am to 3pm.

Running for Animal Care

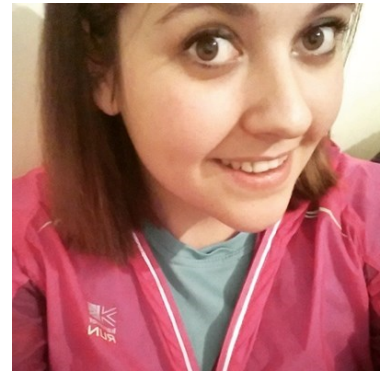

We have two of our long term supporters Cindy and Rob running in the Great Manchester run to raise money for Animal Care. We also have Natalie a new supporter running to raise money for us. Please support Cindy, Rob and Natalie in their amazing task and give what you can!
